

OXC - 0079

6 November 1959

MEMORANDUM FOR: Security Officer, DPD

THROUGH : Deputy Chief, Development Branch

SUBJECT : Request for OXCART Clearances

1. It is requested that the individuals listed below, who are OSI employees, be granted OXCART clearances:

25X1A

25X1A

2. [REDACTED] is the Agency's ELINT Staff Officer and as such is responsible for coordinating and being cognizant of all ELINT activities. He will be able to render valuable assistance in interpreting ELINT requirements and determining feasibility of satisfying these requirements with the ELINT system.

25X1A

3. [REDACTED] is Chief of the ELINT Branch of OSI. He is intimately familiar with all the CHALICE ELINT collection systems and associated readout gear. His assistance will be most valuable in establishing final system design parameters. He will also be able to provide guidance to insure compatibility between the collection system and the readout gear. This is especially desirable in order to preclude the possibility of securing an ELINT system, the take of which could not be analyzed with existing equipment, thus necessitating development of new readout equipment.
